“Overture partners with MortgageHub and Tavant”

Overture Technologies has partnered with MortgageHub and Tavant Technologies to introduce Overture's Mozart Product Suite, a suite of pre-configured, automated pricing, product-selection and underwriting tools.

The customizable, end-to-end lending solution will allow conduits to foster deeper relationships with correspondent partners and improve the efficiency of loan transactions and securitization operations.

Overture Technologies is a provider of decisioning technology based in Bethesda, Md. For more information, call (301) 492-2140 or visit www.overturecorp.com.

Conshohocken, Pa.-based MortgageHub is a Web service platform developer for the mortgage industry. For more information, call (610) 834-3800 or visit www.mortgagehub.com.
